May 30, 2015

To: The Honorable President Xi Jinping
Zhongnanhai, Xi Chang'an Jie
Beijing, Republic of China 100017

Dear President Xi Jinping,

I pray this letter of mine reaches your hands and find you well. GOD truly has positioned you in such a very critical time that we have because I feel you are a righteous and honorable person, and you have a very important role to play in the history of our world.

I was in awe how GOD has blessed you also with a beautiful and regal wife to be on your side in the world stage. When I saw her pictures in the news, I said to myself, "Wow! She has class and grace and hurray! for you. I just feel proud to be an Asian myself. These are all part of destiny. The same as this letter that GOD put in my heart to write you, to knock on your good heart to ask for your support of the **H. MARTIN FOUNDATION Far East Humanitarian Services'** ("HMF") global humanitarian endeavors.

It's been more than eighteen years of full time hard work on my part working on the H. MARTIN FOUNDATION without salary. Without God, I am nothing. If not for GOD's calling and the visions GOD gave to me, I probably would have given up long ago, because those who are in the position here in America opted to be in control of Abba Martin Eddy Hornido Tirwatadinata's assets, which resulted to the current impending global financial collapse. All my letters here fell on deaf ears and all my domestic and international communications were monitored, diverted and sequestered. This is the reason why I have two set of the same letters coming to you. This personal letter together with the attached documents will be mailed to you out of town and out of the country, which I am praying will reach your hands.

President Xi Jinping, please do not allow the negative agenda for the destruction of our world to come to completion. GOD gave me this vision more than eighteen years ago. Our world will perish and come to extinction if I do not work on this Foundation because there will be no other alternative if our global economy collapse. Please do not be intimidated by anyone to push you in going to war. I mentioned this in my first letter to all the Government Leaders dated May 27, 2014, which was all posted and can be read in our website (www.hmartinfoundation.org).

PLEASE DO NOT BE INTIMIDATED! It is time for a "CHANGE" where all the Leaders of all the countries of the world will be able to participate on an **"Even Playing Field"** of Leadership and Cooperation, to attain a **"Universal Banking Program"** that is **FAIR and JUST** in the eyes of GOD and the people of the world. **GOD has used you to start it up through Asian Infrastructure Investment Bank.**

GOD has given to me the **"SOLUTION"** to the impending global financial collapse with the **use of Asian Infrastructure Investment Bank (AIIB) and the assets of the Founder of the H. MARTIN FOUNDATION Far East Humanitarian Services in the different banks and countries of the world.**

The different countries of the world **DO NOT NEED** to use their natural resources to back-up their monetary system. The **H. MARTIN FOUNDATION Far East Humanitarian Services** is very much ready with the **physical assets (gold, platinum, diamonds and other precious gemstones), which we can bring out at the proper time to back-up any monetary system in the world.**

The set-up that the BRICS nations had started for the **National Development Bank (NDB)** is already in alignment with the H. MARTIN FOUNDATION'S Vision and Mission. GOD has given to me something to add on, to achieve a "fantastic result" where there will be "check and balance", so even if we are already gone, it can be handed down from one generation to another and make it perpetual for the good of mankind and our world. Please read the attached "**The Proposed Collaboration**".

As I mentioned, GOD has given to me the "SOLUTION" in the event of a global financial collapse. A "Global Humanitarian Program" and a "Universal / Global Banking Investment Infrastructure / Program using the H. MARTIN FOUNDATION'S assets, which through Asian Infrastructure Investment Bank can be set up and manage in a harmonious manner to generate everlasting FUNDING for all good projects that will benefit the people of the world, all collaborating countries and our world as a whole.

PLEASE DO NOT DEAL with any individual, person or group representing any corporate agency, "posing and claiming to be an authorized representative" of the H. MARTIN FOUNDATION Far East Humanitarian Services. The Founder and World Chairman of the H. MARTIN FOUNDATION Far East Humanitarian Services **DID NOT GIVE** any group or individual besides me, any authority to represent the H. MARTIN FOUNDATION Far East Humanitarian Services. I, Flor Lat Villapando is the **ONLY REPRESENTATIVE** of the Founder / World Chairman, Abba Martin Eddy Hornido Tirwatadinata being one of the **Principals / Physical Registered Owners** of the H. MARTIN FOUNDATION Far East Humanitarian Services. **If anyone tries to represent the Foundation without an ORIGINAL written authority signed in blue ink, sealed with HMF Logo and thumb printed, by the Founder / World Chairman, Abba Martin Eddy Hornido Tirwatadinata and myself, I am giving you the authority to arrest and detain these people.** (Please use the attached Authorization). The current government of the United States of America or the people in Washington are already aware that if anyone tries to do so, there will be a minimum fine of \$1 Billion US Dollars and a minimum of 10 years imprisonment as professed in the Constitution & By-Laws of the H. MARTIN FOUNDATION Far East Humanitarian Services.

Please inform all the other country leaders to do the same, so that they will not succumb to coercion and go along with the negative agenda for the destruction of our world. **The establishment of the H. MARTIN FOUNDATION Far East Humanitarian Services in their country is a very "SOUND OPTION" without "GAMBLING" on the use of the natural resources of their country to fall AGAIN on the WRONG HANDS.**

Please re-affirm also to all the Leaders of the World to **unite and "CLAMOR" for the establishment of the H. MARTIN FOUNDATION Far East Humanitarian Services in their country and "DEAL ONLY" with the Principal Owners of the H. MARTIN FOUNDATION Far East Humanitarian Services.** (Enclosed are Authorization and Complete Immunity for you to use) You can see our pictures (the Founder and I) and read my story by going to www.hmartinfoundation.org. Kindly read the **LETTER: To the Seekers of Truth and Justice and to all Who Fight For What is Right and the Freedom that is OF and FOR America (to restore the REPUBLIC).** Please **CLICK on all the 37 LINKS** to get the bigger picture.

Thank you very much for your time to read my letter and looking forward to sitting down with you.

Sincerely yours,

Ms. Flor Lat Villapando
Vice World Chairman, Treasurer
& Controlling Officer, HMF-USA
